

POSTGRADUATE ADMISSION 2026

Department of Computer Science and Engineering
Islamic University of Technology (IUT), OIC, Dhaka

Advance Your Expertise. Shape the Future of Computing.

The Department of Computer Science and Engineering (CSE), Islamic University of Technology (IUT), invites applications from eligible candidates for admission to its postgraduate programs.

The programs are designed to provide advanced academic knowledge, professional development, and opportunities for research in Computer Science and related fields.

1. Programs Offered

Programs are offered in **Full-Time (Residential/Non-Residential)** and **Part-Time (Non-Residential)** modes.

Program	Credits
MSc in Computer Science & Engineering (MSc in CSE)	36
MSc in Computer Science & Applications (MSc in CSA)	36
Master of Engineering in Computer Science & Engineering (MEngg in CSE)	36
Doctor of Philosophy in Computer Science & Engineering (PhD in CSE)	54

Program Information

- MSc in CSE
- MSc in CSA
- MEngg in CSE
- PhD in CSE

2. Admission Requirements

MSc & MEngg Programs

Applicants must have:

- A B.Sc. Engg. or 4-year B.Sc. degree in the relevant branch, or an equivalent qualification from a recognized institution.
- A minimum CGPA of **3.00 out of 5.00** or **2.50 out of 4.00** in the relevant Bachelor's program.

PhD Program

Applicants must have:

- An M.Engg., M.Sc. Engg., or M.Sc. degree in the relevant branch, or an equivalent qualification from a recognized institution.
- The prescribed academic qualifications and prerequisites required by the relevant postgraduate committee.

3. Admission Procedure

STEP 01

Complete the Application

Download and complete the prescribed Postgraduate Admission Form:

[Download Postgraduate Admission Form](#)

STEP 02

Pay the Application Fee

A non-refundable application fee of BDT 1,500 is required.

Bank Payment Details

Particular	Details

In Person: Administrative Building, Room No. 313, IUT

Please ensure that all documents are complete, legible, and submitted together with the application form.

STEP 04

Selection

Final selection will be made by the relevant postgraduate committee based on the prescribed prerequisites.

NO ADMISSION TEST WILL BE CONDUCTED

Only shortlisted applicants will be notified.

4. Tuition & Student Facilities

Full-Time — Residential

Tuition: USD 55 per credit

Additional Fee: USD 2,180 per academic year

Residential students receive:

- Accommodation
- Food
- Pocket allowance
- Medicare

Part-Time — Non-Residential / Full-Time — Non-Residential

Tuition: USD 55 per credit

5. Financial Support

100% Tuition Fee Waiver

At the M.Sc. level, two full-time students per year will receive a **100% tuition fee waiver**, subject to the applicable criteria.

Teaching / Research Assistantship (TA/RA)

Eligible **full-time postgraduate students** may be appointed as Teaching Assistants (TA) or Research Assistants (RA) and assist faculty members in teaching, research, and related services.

Appointment

TA/RA appointments are made by the **Vice-Chancellor (VC)** upon recommendation of the **Head of Department (HoD)**.

Eligibility

- **TA:** MSc and PhD full-time students at any point of their program
- **RA:** MSc and PhD full-time students at any point of their program

Maximum Appointment Period

Student	Maximum TA/RA Support
MSc	Up to 3 semesters over two consecutive academic years
PhD	Up to 4 semesters over three consecutive academic years

Renewal Requirements

Renewal of an assistantship is subject to:

- Minimum GPA of 3.5 out of 4.0 based on the most recent academic quarters
- Good teaching ratings and satisfactory faculty assessment
- Satisfactory teaching review by the supervising faculty
- Satisfactory assessment by the supervisory committee

TA/RA Financial Support

Position	Workload	Monthly Support
TA	9 hours/week	BDT 15,000
TA	18 hours/week	BDT 30,000
RA	6 hours/week	BDT 10,000

Important: A postgraduate student serving as a TA/RA should not be employed elsewhere.

6. RESEARCH AREAS

Explore research opportunities in areas such as:

- Computer Vision
- Human-Centered AI
- Natural Language Processing
- Bioinformatics
- Software Engineering
- Knowledge Discovery and Data Analytics
- Cybersecurity and Privacy Engineering
- Intelligent Transportation Systems and Smart Mobility
- Robotics and Autonomous Systems

7. Why Apply to IUT CSE?

- International and multicultural academic environment
- Excellent opportunities for research, innovation, and academic development
- Flexible study options:
 - Full-Time Residential
 - Part-Time Residential
 - Part-Time Non-Residential
- 100% tuition-waiver opportunities for eligible M.Sc. students
- Teaching and Research Assistantship opportunities
- Residential facilities and student support
- Selection based on academic qualifications and prescribed prerequisites

8. Application Deadline

23 OCTOBER 2026

Applicants are advised to complete and submit their applications, including all required documents and the application-fee deposit slip, before the deadline.
